

REMARKS

This preliminary amendment makes reference to the parent application and cancels those claims that are being prosecuted in the parent. Entry of the above amendatory matter and early examination on the merits are respectfully requested.

Claims 8-13 are in the present application. Claims 1-7 were originally presented in the parent of this divisional application. The present preliminary amendment cancels claims 1-7; and adds new claims 8-13. These claims are presented to continue prosecution of aspects of Applicants' invention. The features defined by these claims are fully disclosed in the specification and drawings as originally filed. No new matter is presented.

The filing fee for this continuation application has been calculated for the claims remaining after the Preliminary Amendment. The Examiner is hereby authorized to charge any insufficient fees or credit any overpayment associated with the above-identified application to Deposit Account No. 50-0320.

Respectfully submitted,  
FROMMER LAWRENCE & HAUG LLP
